Additional Comments

I understand that the Immigration Reform and Control Act of November 6, 1986 requires me to prove the legality of my residency or citizenship. I am also aware that the failure to provide such proof at the time of request may legally force my termination. To the best of my knowledge, the information contained on this application is true. I understand that nothing contained in this employment application or in the granting of an interview is intended to create a contract between me and this company for either employment or the provision of any benefits; and further understand that if an employment relationship subsequently is established, I will have the right to terminate my employment at any time and the company will have a similar right (Lomar Machine & Tool Co. is a "At Will Employment" company). In addition, I understand that no promise, representation or agreement contrary to the foregoing is binding on the company unless made in writing and signed by me and an authorized representative of the company.
